## NOTICE OF PUBLIC IMPROVEMENT

### DRAINAGE SYSTEM INVENTORY PROJECT

Starting in October 2024 and extending through June 2025, the City of Ojai will be conducting drainage system inventory and condition assessment in your neighborhood.

This project is part of the City's commitment to maintaining the Storm Drain System infrastructure. You may see workers in various neighborhoods conducting inspections on the storm drain inlets/outlets.

This project will improve and maintain the quality of the roadway and ensure that the City's local drainage system network continues to meet the current and future needs of the community.

#### Schedule:

**Days:** Monday through Friday  
**Times:** 7 a.m. to 5 p.m.

Access to your property may be required for a short time. Your cooperation is appreciated.

If you have any questions or concerns regarding the project, please contact:

**Joseph Padilla, Public Works Project Manager:** (805) 646-5581 ext. 203, (805) 722-7239
